BIPIN N. PATEL

FOUNDER

Mr. Bipin Patel is in the academic sector for the last two decades now, also being the managing trustee at Smt K.N.Patel International School and Apollo International School , Ahmedabad. He has a keen interest for campus development. His goal is to conceptually develop the students with the right life skills, so they can pursue their chosen endeavours in the future and stand out responsibly. All in all he wants the students to shine bright. Apart from the educational field, he is also an avid administrator being the Managing Director at Prasang Presidency, Chairman of Central club, Vice President of Rajpath Club. He is also an integral part of banking institutions being the director of GSC Bank and ADC Bank and last but not the least, he is the Director at APMC, Ahmedabad.

C.E.O.

Mr. Dhruv Patel is an efficient academician, skilful and devoted to whatever responsibility he takes up. He is the prime when it comes to framing and coming up with school policies for an all-in-all better atmosphere and experience in school. His simplistic and dedicated persona has worked wonders for the school. He is keen on executing and strategising the different academic decisions when it comes to building the children's future. His understanding level of the system makes him stand out and be the best for all, be it teachers or the students.

OUR FOCUS

An individual with the right perspective of the world and life, working towards making the world a better place to be in. We bring out the best in the student and make them achieve their potential to the highest.

OUR GOAL

To provide a blissful atmosphere with a traditional schooling system along with care and comfort. To help the society hail with harmony and love.

THE IDEOLOGY

KNPIS follows a highly motivating and secure educational system keeping in mind your child's holistic development.
At KNPIS we follow the 3Cs system

CREATIVITY

Most times the word creativity is replaced with artistic but it is not only that we nurture young minds to generate new and innovative ideas and thoughts in their work and presentation. Activities/Co-curricular at KNPIS includes exhibitions, recitals and displays that act as a platform of sharing and opening out student's view-points and experiences.

COURAGE

We add courage in our students to master different skills such as

- Decision making
- Goal setting
- Adaptability
- Technological sensitization
- Acceptance of changes

COMPREHENSION

This is what keeps all in check and sculpts all-round development. We at KNPIS want our students to follow the uniform school spirit, morals and values, so that personality is maintained even after academic completion. We follow a comprehensive study method establishing an understanding of all sorts of academic as well as non-academic concepts for a greater life.
